

## STRENGTH

Strengthen the systems and practices that support a thriving CNMI.

## COURAGE

Lead with courage to stay focused on the vision.

## PATIENCE

Stay committed. Build for generations.

DELEON GUERRERO

# SETTING THE COURSE FOR LONG TERM RESULTS

Turning Recovery Into Opportunity  
Building a **Future Worth Staying For.**

## THE FIRST 90 DAYS PLAN

### DAYS 1-30 STABILIZE & REFORM

- Government operational review
- Work with regional and seasoned economist
- Meet with businesses & communities
- Infrastructure & recovery assessment
- Workforce stabilization planning
- Apply workforce stabilization plan
- Understand the existing healthcare and mental healthcare needs

### DAYS 31-60 ACTIVATE THE ECONOMY

- Agriculture & food security initiatives
- Workforce training pathways
- Small business recovery support
- Stand up specialized industries & supply chain planning
- Federal recovery coordination

### DAYS 61-90 BUILD LONG-TERM RESILIENCE

- Publish Economic Recovery Blueprint
- Launch public recovery updates
- Expand technical education partnerships
- Housing & workforce rebuilding strategy
- Quality-of-life accountability framework

The CNMI must become a place where families can stay, grow, invest, and pass opportunity on to the next generation.

### CORE PRIORITIES

- ✓ Stabilize government operations and public confidence.
- ✓ Protect working families during fiscal uncertainty.
- ✓ Create long-term career pathways for local residents.
- ✓ Strengthen agriculture, and local supply chains and stand up specialized industries.
- ✓ Expand workforce training and technical education.
- ✓ Improve transparency and communication with the public.
- ✓ Create solutions through a learning lab approach.
- ✓ Retain local talent and reduce long-term outmigration.
